CONCRETE REPAIRS

As the property is getting older there are some much need repairs to each home. The concrete driveways of many homes are cracked, peeling or heaving. It is time to take a look at your driveway and consider doing some replacement of sections or entire driveways. The Board understands this is an expensive repair, but it is a much needed one. You might also consider getting with some neighbors who might also need this and see if you can get a discount if several homes go in together on such a project.

TRASH COLLECTION

TRASH COLLECTION IS ON MONDAY. RECYCLING IS EVERY OTHER MONDAY. Please set your trash and recyclables at the end of your driveway, not on the sidewalk; Sunday night or early Monday morning. Please remove your trash containers no later than Monday evening. Also, if there is a holiday on a Monday, the trash pick-up will be delayed one day.
